# WRU Symposium 2016 "Interplay between LHC and Flavor Physics"

## Monday 14 March 2016

### Session 2: Physics at LHC - ES building ES635 (14:00-15:30)

time	title	presenter
14:00	Summary of recent new physics searches with the ATLAS experiment	JACKSON, Paul
14:30	Possible implications of 750 GeV diphoton excess at the LHC	KO, Pyungwon
15:00	New physics searches in top yukawa sector	TAKEUCHI, Michihisa
