

WRU Symposium 2016 "Interplay between LHC and Flavor Physics"

Contribution ID : 5

Possible implications of 750 GeV diphoton excess at the LHC

Monday 14 Mar 2016 at 14:30 (00h30')

Primary authors :

Co-authors :

Presenter : KO, Pyungwon (KIAS)

Session classification : Session 2

Track classification : --not yet classified--

Type : --not specified--
