

8th International Workshop on Ring Imaging Cherenkov Detectors (RICH 2013)

Contribution ID : 12

R on high momentum particle identification with a pressurized Cherenkov radiator

Monday 02 Dec 2013 at 16:35 (00h25')

Primary authors :

Co-authors :

Presenter : Dr. WEBER, Michael (University of Houston)

Session classification : Novel Cherenkov imaging techniques for future experiments

Track classification : --not yet classified--

Type : --not specified--
