

# The 4th KMI International Symposium (KMI2019)

Contribution ID : 15

## Quark-Gluon Plasma: Recent Development of Phenomenological Models

Tuesday 19 Feb 2019 at 09:35 (00h35')

**Primary authors :**

**Co-authors :**

**Presenter :** NONAKA, C. (KMI, Nagoya University)

**Session classification :** High energy hadron physics at zero degree, and Quark gluon plasma

**Track classification :** --not yet classified--

**Type :** --not specified--
