

8th International Workshop on Ring Imaging Cherenkov Detectors (RICH 2013)

Contribution ID : 18

Review talk: Status and perspectives of gaseous photon detectors

Tuesday 03 Dec 2013 at 08:30 (00h40')

Primary authors :

Co-authors :

Presenter : DI MAURO, Antonello (CERN)

Session classification : Photon detection techniques for Cherenkov counters

Track classification : --not yet classified--

Type : --not specified--
