8th International Workshop on Ring Imaging Cherenkov Detectors (RICH 2013)

Contribution ID: 18

Review talk: Status and perspectives of gaseous photon detectors

Tuesday 03 Dec 2013 at 08:30 (00h40')

Primary authors : Co-authors : Presenter : DI MAURO, Antonello (CERN)

Session classification : Photon detection techniques for Cherenkov counters

Track classification : --not yet classified--Type : --not specified--
